

NEWTON SYSTEM 800

Damp Proof Membranes

NEWTON DAMP PROOF MEMBRANES

Newton Waterproofing System's HDPE & HDPP Damp Proof Membranes have undergone stringent accelerated ageing tests and we guarantee that the products will not degrade for a period of at least 30 years. The products will be delivered free from defect. Any defects discovered on receipt of delivery should be notified to Newton Waterproofing Systems immediately. Newton Waterproofing Systems will replace the defective product.

Products should be inspected before installation, and any installed product must be deemed to have been inspected before installation. We cannot accept responsibility for any damage that could be inflicted during or after application. This warranty declaration covers replacement costs of Newton membranes only and there are no provisions for recovery from Newton Waterproofing Systems for any defective workmanship or consequential loss.

BBA CERTIFICATION

Our Damp Proof Membranes hold BBA certification (Newton Membrane Systems 94/3010). Certificates are available on request or can be downloaded at newtonwaterproofing.co.uk

COSHH STATEMENT

Our Cavity Drain Membrane products are benign and are not required to be certified under present COSHH requirements. No COSHH certificates are required for the on-site health and safety file.

It is strongly recommended that PPE is used when installing our systems.

DIAGNOSIS, DESIGN, INSTALLATION, GUARANTEE

Newton Waterproofing Systems recommend that our products are installed by those competent in the diagnosis of dampness and/or water ingress in both above ground and below ground situations. The products should be installed in accordance with our current fixing instructions or as specified with the aforementioned BBA certificates.

Newton Waterproofing Systems recommend that Newton Specialist Basement Contractors (NSBC) installers be used. The installer of the system should provide an installation guarantee.

Newton Waterproofing Systems cannot guarantee against the incorrect installation of our products, and any recommendations of Installers/Contractors are given in good faith. Any deficiencies in workmanship by any said Installer/Contractor are the responsibility of them alone and the installation guarantee shall be used as redress for the client.

This declaration does not limit the customer's rights under common law, product liability or other current legislation.
